# ONLINE CLASSROOM (CANVAS LMS)

The Online Classroom is OSU-OKC's online learning management system (LMS). Students use the Online Classroom to view course announcements, access course content, turn in assignments, participate in course discussions, complete quizzes and exams, and to view grades. All OSU-OKC classes are listed in the on-line classroom. Check your course syllabus or with your instructor about online classroom use in your specific class. The Online Classroom can be accessed using the myOK-STATE portal (https://my.okstate.edu), log in with O-KEY email address and password.
