

HORTICULTURAL THERAPY

- ✓ **Associate in Applied Science in Horticulture Technology**
- ✓ **Associate in Science in Horticulture Technology**
- ✓ **Horticulture Certificate**

Coursework available in Horticultural Therapy includes:

- Principles of Horticulture
- Introduction to Horticultural Therapy
- Horticultural Therapy Program Management
- Plant Material Identification Courses
- Home Gardening/Fruits & Vegetables
- Beginning Floral Design
- Plant Propagation
- Greenhouse Operations

Horticultural therapy is an emerging field that uses horticulture in a therapeutic setting to treat individuals with physical and developmental disabilities, recovering substance abusers, prisoners seeking rehabilitation, the elderly and others.

Students discover how to use horticulture to improve the cognitive, physical and psychological well-being of special populations.
