Applied Technology A.A.S.

— History/Political Science Plan of Study

Program Description

This degree is designed for students who want the Associate in Applied Science degree but whose previously earned college credit, goals or backgrounds are not supported by other A.A.S. programs. Also, students not yet certain of their major can pursue the Associate in Applied Science degree, obtain core general education credits and pick up basic skills required for most professional careers today. Students graduate with 21 hours of general education courses and 30 hours of technical occupational specialty core courses.

Degree Awarded

Associate in Applied Science
