

Applied Technology A.A.S.**

— Humanities Suggested Plan of Study

**When a student graduates with this degree the diploma will read A.A.S. in "Applied Technology". The general education courses within this sequence will easily transfer into a four year degree program within the State of Oklahoma.

Program Description

This degree is designed for students who want the Associate in Applied Science degree but whose previously earned college credit, goals or backgrounds are not supported by other A.A.S. programs. Also, students not yet certain of their major can pursue the Associate in Applied Science degree, obtain core general education credits and pick up basic skills required for most professional careers today. Students graduate with 21 hours of general education courses, 12 hours of guided electives and 30 hours of technical occupational specialty core courses.
