

ADMISSION GENERAL INFORMATION

The OSU-Oklahoma City policy on admission provides an easily accessible educational opportunity for all students who can profit from college-level instruction. Admission to OSU-Oklahoma City does not ensure registration in all courses or eligibility for all curricular programs. Many courses have prerequisites and some degree programs have specific admission requirements. Additional information concerning program admission is available in the degree sheets for those programs.

The admission policies of OSU-Oklahoma City do not discriminate on the basis of national origin, race, sex, age or disability and are in compliance with the 1972 Educational Amendments of Title IX.

Selective Admission Degree Programs

Admission to certain degree or certificate programs may be restricted (i.e., Nurse Science, Veterinary Technology, Bachelor of Technology). Refer to details outlined in the Degrees, Certificates and Course Descriptions section of this catalog.

Curricular Requirements

The Oklahoma State Regents for Higher Education (OSRHE) mandate certain curricular requirements for freshman entering state colleges and universities. These curricular requirements act as prerequisites for certain freshman-level courses.

Students must meet the criteria for both the high school curricular requirements and the high school performance criteria as defined in the following sections to be eligible for admission. While high school students are encouraged to meet the state's criteria, we do not require these courses for admission. However, students need to remediate their deficiencies prior to taking freshman-level courses in the discipline area and must remediate all performance and/or curricular deficiencies within the first 24 semester credit hours of seeking an associate in science degree or bachelor's degree.

Assessment

All first-time freshmen admitted as regular students will be assessed prior to placement in courses. Students will be required to present ACT test scores and/or scores from a similar battery of tests. Some students may also be required to take the COMPASS test. COMPASS™ is a comprehensive, computerized test system that determines appropriate placement in the areas of reading, writing and math. Placement according to test scores is mandatory as per Oklahoma State Regents for Higher Education policy. Advisors will assist students in selecting courses utilizing available assessment tests, previous educational experiences and expected workloads.

Course Placement

To help ensure that students possess the skills necessary to be successful in college, students must have a 19 ACT subject score in English, Mathematics, and/or Science Reasoning to enroll in courses that require those prerequisites. Additionally, students must have at least a 19 in Reading to enroll in any other collegiate course.

Course Load

A high school student may enroll in a combined number of high school and college courses per semester not to exceed a full-time college workload of 19 semester credit hours. For purposes of calculating workload, one-half high school unit shall be equivalent to three semester credit hours of college work.

High school students concurrently enrolled in college courses may continue concurrent enrollment in subsequent semesters if they achieve a CGPA of 2.0 or above on a 4.0 scale.

Transfer Student

A transfer student is defined as any undergraduate student with greater than six attempted credit hours, excluding remedial/developmental (zero-level courses) and credit hours accumulated by concurrently enrolled high school students.

- Transfer students who do not meet curricular requirements must make up deficiencies within their first 12 credit hours of college-level work.
- Any student who transfers to OSU-Oklahoma City with less than a 2.0 cumulative grade point average will be conditionally admitted. A student admitted under this category is admitted on probation and must maintain a 2.0 GPA each semester while on probation and will remain on probation until the GPA meets retention standards.

Non-Degree Seeking Student

Any student who wishes to enroll in courses without pursuing a degree may be permitted to enroll in a maximum of nine credit hours without submitting academic credentials or meeting the academic curricular or performance requirements. Prerequisite and retention standards will be enforced. Once a student has successfully completed nine credit hours, should he or she wish to enroll in additional course work, he or she is required to meet the formal admission or transfer criteria. Both transfer and first-time freshmen are eligible to enroll under this category.

Opportunity Admission

Students who have not graduated from high school whose composite standard score on the ACT without the writing component places them at the 99th percentile of all students using Oklahoma norms, or whose combined critical reading and mathematical score on the SAT without the writing component places them at the 99th percentile of all students using national norms may be eligible for admission. Admissibility will be determined based on test scores, evaluation of the student's level of maturity and ability to function in the adult college environment, and whether the experience will be in the best interest of the student intellectually and socially.

International Student Admission

A student seeking to enroll at OSU-Oklahoma City who is not a United States citizen, resident alien, refugee or other non-temporary U.S. Citizenship and Immigration Services classification is considered for admission purposes as an international student. Each international applicant shall provide:

This proof of financial support may be a copy of the award letter from a scholarship agency or a statement of financial support from the family or financial sponsor.

Evidence of Good Standing

An international student must provide evidence of good standing with his or her previous school and must be "in status" with the U.S. Citizenship and Immigration Services before he or she will be admitted.

Acceptance to OSU-Oklahoma City

If the student meets all requirements for admission, a letter of acceptance and Certificate of Eligibility (Form I-20) will be generated. If the student is not in the United States, the I-20 will be sent to the student who must then take the Form I-20 to the United States Consulate or Embassy and apply for a U.S. visa. Each student will be notified of admission acceptance as soon as possible via a letter of acceptance. Upon acceptance for admission the student is eligible to register for classes.

Students for Whom English is a Second Language

In addition to meeting all admission requirements listed under the appropriate section of this catalog, all applicants for whom English is a second language must provide proof of English proficiency by meeting one of the following standards:

- score of 500 or higher on the Test of English as a Foreign Language (TOEFL), or

- a score of 460 or higher on the TOEFL, or
- 140 on the computerized version, or
- 48 on the Internet-based version.

In State/Out of State Status of Enrolled Students

All applicants are classified as in-state or out-of-state for purposes of admission and tuition. Applicants may be required to submit evidence to substantiate their claim of classification on the application for admission. Questions regarding classification should be directed to the Office of Admissions. A resident of Oklahoma is one who has lived continuously in the state for at least 12 consecutive months and whose domicile is in Oklahoma. Students' domiciles are their permanent homes - the places where they intend to remain and are expected to return. Students can have more than one residence, but only one domicile.

Attendance at an educational institution is interpreted as temporary residence; therefore, a student neither gains nor loses in-state status solely by such attendance.

An out-of-state student attending an Oklahoma college or university on more than a half-time basis is presumed to be in the state primarily for educational purposes.

An individual is not deemed to have acquired in-state status until he or she has been in the state for at least a year primarily as a permanent resident and not merely as a student. Likewise, an individual classified as in-state shall not be reclassified as an out-of-state until 12 months after having left Oklahoma to live in another state.

Unless residency has been established in another state, a student who resided in Oklahoma at the time of graduation from an Oklahoma high school and has resided in the state with a parent or legal guardian for the two years prior to graduation from high school will be eligible for in-state status.

The burden of proof of establishing Oklahoma domicile, including providing any supporting documentation, shall be upon the applicant. Students requesting a change in their status must complete the Residence Reclassification form and provide documentation as necessary.

Full-time Profession Practitioners or Workers

Students who provide evidence of having come to Oklahoma to practice a profession on a full-time basis, conduct a business full time or work on a full-time basis shall be admitted along with their spouse and dependent children immediately without the 12 month domiciliary requirement as long as they continue full-time employment capacity.

Foreign Citizen Criteria

Students who are not citizens of the United States may become eligible for residence status by proving their "permanent status" as evidenced by an I-551 (green card). An individual who has resided in Oklahoma for at least 12 consecutive months following the date of adjudication on their "green card" may be eligible for in-state classification.

Military Personnel Criteria

Students enrolled at OSU-Oklahoma City who provide evidence they are full-time active duty in the armed forces stationed in Oklahoma or temporarily present through military orders shall be immediately classified upon admission as in-state status along with their spouse and dependent children. Further, when members of the armed services are transferred out-of-state, the member, their spouses and dependent children shall continue to be classified as in-state as long as they remain continuously enrolled.

Former full-time active military personnel who remain in Oklahoma after their service may retain their in-state status without the 12 month requirement if they establish domicile.

Readmission to OSU-Oklahoma City

Students who have attended OSU-Oklahoma City but were not enrolled during the immediate past year must reapply for admission. If a student has attended another college or university since last attending OSU-Oklahoma City he or she must submit a transcript of all work taken elsewhere.

Students who are academically suspended by an institution will not be allowed to reenter the institution for at least one regular semester (fall or spring) unless immediate reinstatement is granted through the enrollment appeals process. Students returning from an academic suspension will be readmitted on probationary status. Should a reinstated student be suspended a second time from the same institution, the student cannot return to the suspending school until such time as the student has demonstrated, by attending another institution, the ability to succeed academically by raising the GPA to the retention standards.

Additional Requirements for Admission or Continued Enrollment Immunization Requirements

Per Oklahoma law, all new students are required to provide evidence of having been immunized against measles, mumps and rubella (MMR) (two shots) and against Hepatitis B (Hep B) (three shot series). Students may complete an Immunization Certificate of Compliance when applying to the institution. For more information regarding the MMR and Hep B immunizations, please contact the Admissions offices.

If the certificate is not received during the student's first semester, a hold will be placed on future enrollment until the requirement is met.
