

Policy on Data Sharing

Third-Party request for information

According to recent guidance from the US Department of Education's Privacy Technical Assistance Center (PTAC), data that OSU-OKC is allowed to release to a third party is limited. Section 483(a)(3)(E) of the Higher Education Act of 1965 (HEA) limits the use of FAFSA application data to the application, award, and administration of Title IV funds, state aid, and institutional aid programs. PTAC's guidance clarifies that the HEA restriction applies broadly to FAFSA data, ISIR data, key processing results, expected family contribution (EFC), and the student's financial aid history.¹

Because of this restriction, OSU-OKC *can only* release these data elements to scholarship-granting or tribal organizations, *with the student's written permission*; however, students desiring to share information pertaining to their federal aid application with other third party vendors, such as housing authorities or state benefits programs, will be required to access their Federal Shopping Sheet via Financial Aid Self-Service and obtain most of the data elements to provide to these outside entities.

The Federal Shopping Sheet includes the student's Cost of Attendance, EFC, and any financial aid the student has been awarded. For assistance locating your Federal Shopping Sheet, visit: <http://www.osuokc.edu/financialaid/statuscheck.aspx>
