

Concurrent Enrolled International Student Checklist

International students who wish to be considered for concurrent enrollment admission must submit the following information:

____ 1. Regular Admissions Application

____ 2. Official letter of good standing from the parent institution. This letter must reflect any previous attendance during fall and/or spring terms and how many hours they are permitted to enroll. This letter of good standing must be submitted each semester of attendance.

____ 3. Official college transcript(s) from all institutions attended.
