

MARK YOUR CALENDAR!

OSU-Oklahoma City Spring 2012 Job/Career Expo Thursday, March 8

10 a.m. to 1:30 p.m.

Employers please register by **February 23, 2012.**

We would be proud to have your company represented at our event this year.

OUR MISSION

The mission of the OSU-OKC Job/Career Expo is to bring progressive companies and qualified candidates together. This will be accomplished in the following ways:

- Companies set up on the second floor of our Student Center, the area of the campus most traveled by students, faculty, staff and visitors.
- There will be an interview area allowing company representatives to hold interviews with potential employees away from the display table.

The \$100 vendor fee to participate includes one six-foot covered table, two chairs, two meal tickets, access to the interview area, a chair massage for each vendor representative and, of course, a chance to meet our students. OSU-OKC offers a bachelor of technology degree in Emergency Responder Administration and over 30 associate degrees from six divisions: Agriculture, Arts and Sciences, Business, Health Services, Human Services, and Science and Engineering.

We look forward to bringing your company and our students together for this win-win opportunity on Thursday, March 8.
