To identify materials specific to Emergency Medical Services, use the Library Catalog. Using the Builder Search. Books and AV materials will be shelved by Call Number.

## INTERNET

Many websites offer information on Emergency Medical Services. Please evaluate the content carefully. Many of these sites have valuable information. However, there are many personal sites that have shock value, but little legitimate content. For more information on evaluation, please go to <http://www.library.jhu.edu/researchhelp/general/evaluating/index.html> / OR preselected links can be found using the OSU-Oklahoma City Library's 'Internet Links'. Under 'Human Services', click on 'Fire Science'.
