

EMERGENCY ALERT

Are you ready?

To receive emergency messages from Oklahoma State University - Oklahoma City you must provide your voice and text numbers. It's easy, log in to your O-Key account at okey.okstate.edu:

Emergency Voice Alerts:

1. Click on "Emergency Contacts" in the left-hand navigation bar.
2. Use the drop-down menu to select "Emergency Voice."
3. Enter your emergency contact number.

Emergency Text Alerts:

1. Repeat the process, selecting "Emergency Text" under the emergency contacts.
2. Once you enter your number, select a cell carrier to match your number with an email address.
3. Be sure to request a test message.

- **Keep your information current.**
- **If you have both, enter voice and text numbers.**
- **Contact the OSU IT Help Desk in Stillwater at 405-744-HELP or helpdesk@okstate.edu if you experience any problems.**
