

Good Shepherd Hospice is looking for Volunteers to help in our office.

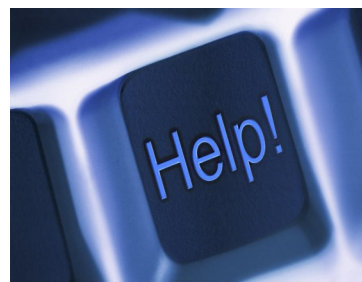

There are many things you can do to help.

- Answer phones and greet visitors
- Prepare admission and legal packets
- Assist with the Volunteer Newsletter
- Be the Birthday Card Guru
- Help with meeting preparations
- Assist with the volunteer reports
- Help in Medical Records
- Organize inventory and the nursing supplies
- And, as always, filing, filing, filing!

Plus lot's of other things...

We are hoping you could come to the office one time a week for as long as you like. We can always use the help.

Our office is open Monday through Friday 8:00 to 5:00. We are not open on the weekends.

If you can help, and would like more information, please contact:
