

Patient Visit Volunteer

"Through my years of volunteering for hospice, I have met some very special people. They have all touched my life in some way. This experience has made me appreciate my own blessings."

~ GSH Volunteer ~

Find Your Talents.
Fill Your Heart.
Become Part of Good Shepherd.

Your act of kindness is not about bedside vigils or sad endings. It's about sharing your "Servant's Heart" and spending time with someone who welcomes the company. You are a companion to someone on an incredible personal journey; theirs and yours.

Some Ideas For Your Visit...

- Share stories and journal their memories
- Hold a hand and/or paint their nails
- Read from the newspaper or magazines
- Provide a caring presence to fend off loneliness
- Assist with writing letters or cards
- Watch their favorite TV show or movie with them
- Organize photo albums
- Go for a "wheel chair walk"
- Play games, join in on arts & crafts or trivia

Get creative, we are always open to new ideas!
