# Become a Veterinary Technician!

There is currently a strong demand for graduates from veterinary technology programs. The Department of Labor lists veterinary technicians as one of the top 20 fastest-growing careers where an education makes a difference.

OSU-OKC provides veterinary technology students the opportunity to get hands-on experience in a state-of-the-art facility. Learn radiology, anesthesiology, pharmacology, nursing and much more!

## What Do I Do First?

- Apply for admission and be accepted to OSU-OKC ([www.osuokc.edu/apply](http://www.osuokc.edu/apply)).
- Meet with an advisor about declaring Veterinary Technology as your major.
- Complete all prerequisite courses with a grade of "C" or better.
- Complete an application for admission into the Veterinary Technology program.

**([www.BeAVetTech.com](http://www.BeAVetTech.com))**

An associate in applied science degree in veterinary technology prepares students for a career in areas such as clinical practice, emergency medicine, medical research or military veterinary service.
