OKLAHOMA STATE UNIVERSITY-OKLAHOMA CITY
PARKING AND TRAFFIC REGULATIONS

OFFICE OF SAFETY AND SECURITY
The Board of Regents for Oklahoma State University, the governing board, has appointed necessary officers for the purpose of protecting personnel and property at Oklahoma State University-Okahoma City. These officers are assigned to the Office of Safety and Security, which has the responsibility and authority for the administration and enforcement of the University’s parking and traffic regulations.

REGISTRATION
A. Any student or eligible faculty, staff or visitor having business with the University who operates a motor vehicle on the campus shall obtain a University hangtag before parking the vehicle on University property. All registration hangtags are to be issued by Business Services for students and Human Resources for employees, both located on the second floor of the Administration Building. Parking hangtags are for the entire academic year.

B. A motor vehicle registration fee will be assessed to those students operating a motor vehicle on the University campus. An annual parking hangtag costs $65.

C. The registration hangtags do not assure that parking space will be available at all times.

D. TEMPORARY HANDICAPPED permits may be issued to any person upon proper certification of need acceptable to the Vice President of Finance and Operations and Director of Safety and Security. The permits will be valid only for the duration of the handicap, or for a three-week basis, whichever is less. Renewals are available upon request. These permits will be in addition to the current semester’s vehicle parking hangtag. Permits issued by the state of Oklahoma will be honored for handicapped parking and must be properly displayed.

E. TEMPORARY PARKING permits are available to persons having a vehicle currently registered with the University who faces a situation causing them to temporarily bring an unregistered vehicle on campus. Temporary Parking permits are issued for a period not to exceed seven (7) calendar days.

F. THE HANGTAG SHALL BE HUNG FROM THE REARVIEW MIRROR OF THE FRONT WINDSHIELD. Failure to place hang tag here may result in a fine for “improperly placed hangtag.”

G. Failure to display a hangtag will result in an issuance of warnings during the first two (2) weeks of University classes. After the initial two weeks, a formal citation may be issued.

Questions about parking at Oklahoma State University-Oklahoma City should be addressed and mailed to the Oklahoma State University-Okahoma City Office of Safety and Security.
